Department of Comparative Literature
University of California, Berkeley

2021-2022 APPLICATION FOR TRAVEL GRANT

Travel grants are available to students who are attending a conference to present a paper. Students are eligible for up to $1000 in travel grant funding during their tenure at Berkeley. *Unless travel is within California*, students must first use their two Graduate Division Travel Grants (http://grad.berkeley.edu/resource/conference-travel-grants/) prior to applying for departmental grant funds. Applications are available from the graduate office and on the Comparative Literature website, and must be submitted electronically **in advance of the planned travel** to the department Chair for approval, with a copy to the GSAO. Exceptions may be requested. Students who are on the job market may request travel grant funding to attend the MLA even if not presenting; this counts against their total allotment of $1000.

Please complete this form and email it to the GSAO at ***complitga@berkeley.edu***
